

About the Indiana Department of Insurance

The Indiana Department of Insurance protects Indiana's insurance consumers by monitoring and regulating the financial strengths and market conduct activities of insurance companies and agents. The department monitors insurance companies and agents for compliance with state laws to protect consumers and to offer them the best array of insurance products available. The department also assists Hoosiers with insurance questions and provides guidance in understanding how insurance policies work.

IDOI has professional and knowledgeable specialized divisions to address your concerns:

- Legal Division
- Long-Term Care Partnership
- Market Regulation
- Medical Malpractice
- Office Operations Division
- Producer Licensing
- State Health Insurance Assistance Program
- Title Division
